Suggested Travel Options to Dongguan, China

There are three airports that are located close to Dongguan:

- **Guangzhou International Airport, China** – about 75 minutes to Dongguan.
 - Some direct flights are available from Los Angeles, Seoul (Korea) and Tokyo as well as some other airports offer direct flights to Guangzhou airport.
 - Other options are to fly arrive in China via Shanghai (or Beijing) and then take an internal Chinese flight to Guangzhou (or Shenzhen).

- **Shenzhen Airport, China** – about 60 minutes to Dongguan.
 - No direct flights from offshore.
 - One option is to fly arrive in China via Shanghai (or Beijing) and then take an internal Chinese flight to Shenzhen.

- **Hong Kong International Airport** – about 2 +/- hours to Dongguan, depending on transportation mode.
 - Probably the most convenient airport to access directly from overseas.
 - Access to Dongguan can be made by plane (to Guangzhou or Shenzhen), but more likely:
 - Express Bus (direct from HKIAirport to Dongguan City and in some cases directly to the conference hotel) – Probably the most convenient option.
 - Non-stop Train (Kowloon Station, Hong Kong to Dongguan train station – requires transferring to and from both train stations).
 - High speed water ferry (direct from HKI Airport to Dongguan port in Humen and then by taxi to the hotel).
