The chairman of NWFA will attend

2006 China Wood Flooring Conference

The National Wood Flooring Association (NWFA) gives complete support for this conference and Mr. Joe Audino, the chairman of NWFA will attend 2006 China Wood Flooring Exp. & Imp. Conference as a speaker, the conference will take place on Nov.7 through 10 in Shanghai.

NWFA as an important flooring association in North America has more than 3500 members throughout world. In face of the rapid development of Chinese wood flooring industry and huge market potential, Mr. Joe Audino will come to Shanghai on Nov.7 to attend annual China Wood Flooring Exp. & Imp. Conference to know more about Chinese wood flooring industry and market and has a face to face contact with high quality Chinese manufacturers. At the same time, NWFA and CWI (China Wood International Inc) will work together to hold a special Panel about wood flooring market in North America in which not only excellent speech is involved, moreover, some big companies in North America will be invited to join this panel and answer the questions of audience's interest.

The 2006 conference is the most professional wood flooring conference in China. Except for sessions, there are exhibition and field trip. For detailed information about this conference, please visit website at: www.chinawood.net and click the conference link.
