Do you want to export your timber to China?
Do you want to expand your business in China?
If yes, join us!

Global Timber Material Buyers Guide

China imports a great deal of logs and lumbers in global timber market every year more than 26million m³. And **Global Timber Material Buyers Guide** is a crucial directory, which is an introduction of global timber market and leading exporter in the world. It will make you be read, realized and then well known. The editor, China Wood International Inc (CWI), is a senior consulting and market investigating company with approximately 15,000 members in China timber market. Most of the members are manufacturers, which need to buy a great deal of timber from overseas timber market every year. Our website www.chinawood.org is browsed by our customers with 420,000 times per week. CWI has edited many reports, directories and guides on timber export/import in decades.

If you join us to be publicized in **Buyers Guide**

- (1) you will enter the database on our website browsed every day by our members;
- (2) you will be read by our 15,000 members to whom we will send a copy of **Guide**;
- (3) you will become our member free for one year to contact our members directly;
- (4) you will get our English Newsletter monthly to know Chinese wood market.
